

WALLACE WAMBULWA

Information Technology | Software Engineering | Network Technician | IT support

<https://wallacewambulwa-gilt.vercel.app/> | Nairobi, Kenya | wallacewambulwa@gmail.com

Summary

I am an IT professional with a strong skillset in software engineering and hands-on experience as a network technician. I develop and maintain web applications, manage databases, and build secure backend systems. I also troubleshoot network issues and configure routers and switches to ensure smooth connectivity. I'm known for strong problem-solving skills and the ability to adapt across different technical areas.

Education

The Co-operative University of Kenya

Bachelors Degree Information Technology

2022-2026
